Field Searchable

Unassisted Arrivals to Sydney (NSW) Index 1842-1857

Pastkeys is proud to announce the publication of its *fully field searchable* UNASSISTED ARRIVALS TO SYDNEY **(NSW) INDEX** which now includes the year 1857 and contains over 191,800 entries including 25,000 additional passengers and variant names from two Sydney newspapers.

As with all of Pastkeys index publications, this transcription has been meticulously checked against the source documents.

This release has the following features:

- Records indexed are three State Records of NSW sources: *Reports of Vessels Arrived 1842-56*, *Passengers Arriving Sydney 1846* and *Shipping Master's Office (Passengers Arriving) 1854-57*

- These names were compared with names from shipping intelligence columns in the *Sydney Morning Herald* and *The Shipping Gazette and Sydney General Trade List* and variant names and additional passengers were included

- Contains transcriptions of records not included in other indexing projects such as *Immigration: Passengers Arriving Sydney 1846* (SRNSW Reel 2457) and also, where found, pages missed from filming of the original records

- Index lists name (includes regiments), age (where given), status (master, crew, passenger), departure port (foreign, coastal, interstate) and *Remarks* and this includes any additional information given such as nationality, place of origin, regiment of individuals or other detail contained in the record

- Fully searchable by ✳*Name* ✳*Ship Name* ✳*Arrival Year, Date, Month* ✳*Departure Port* ✳*Reference* ✳*Remarks* or combination of any of these and also by ✳*Entry Number*

- Search results can be ✳*Sorted* and ✳*Printed* or ✳*Exported* in several formats such as MS Excel spreadsheet, MS Word, HTML, PDF, RTF, TIFF, XFF and Open Office Writer – PDF files are recommended to retain format

- Accessible via the **Help** button are PDF files of ✳*Source Illustrations* including one of the pages missed in the filming of the records and also extracted lists showing ✳*Ships from German Ports* ✳*Shipping Master's Office – Missing Ship Lists 1854-57*

- Compatible with Windows 98 to Windows 8/8.1. Windows 10 users need an additional system file. If the *Employment and Dispersals Lists* CD is installed on the same system, the system file would already be installed; otherwise please contact Pastkeys for link to a 'safe' system file download.

The purchase price is now **$A30 PLUS** p&p (within Australia $A5).
